

The Confer Classic is back!!

2020 was not a kind year. The Covid pandemic changed lives and it took lives. It did the same to businesses.

Because of that, we went without a Confer Classic Golf Tournament last year. It didn't feel right asking golfers and businesses for donations in difficult personal and economic times.

There was also the issue of Covid controls and laws – what would the event have felt like without a dinner, a raffle, out-of-state friends, and so much more?

Waiting out 2020 was the right thing to do, for all those reasons. We won't be skipping the event in 2021. With businesses strengthening, personal finances on the mend, the state borders open, vaccines rolling out, and people raring to go, the Classic is back!

It will be good to see you all again and to do good for children and teens in community.

God knows the kids need us now more than ever!

As we've seen through the course of the pandemic the sequestration, lack of access to grandparents, loss of sports and activities, inability to see friends, and the stresses of lockdowns and remote learning have taken a brutal toll on the mental health of children. They've been robbed of more than a year of memories, fun, education, and personal growth.

Others kids have had it even worse. We've all read news reports on the explosive growth of domestic violence, abuse of hard drugs, and child abuse during the pandemic. Many kids were stuck in homes filled with those woes, waiting out Covid for months. Those are kids who find love, respect, and safety outside of the home...at school, in sports, and in their scout packs and troops...places and organizations that are finally coming back to the normal way of doing things.

That's where we come in. Kids across Western New York -- kids from painful homes, kids from healthy homes -- need you and me. They need us and the tournament to do as we have for years -- to provide funding to the local scout council to strengthen packs and troops and make the best summer camp and year-round programs possible.

Our investment in good times on the golf course is an investment in good times for those scouts...not only now, but also throughout their lives as they savor and use the memories and lessons learned in Scouting.

The Confer Classic is back.

Let's work together to make the event the best that it can be.

Let's work together to make these kids the best they can be.

The Council and its numerous troops and packs offer an incredibly-effective program to its scouts and the Iroquois Trail Council is consistently recognized as being among the best-performing scout councils in the entire country.
